Each year, the CFD Eagle Truck Company attracts thousands of local residents and car enthusiasts to Centerport Beach for our Annual Custom Car & Cycle Show. Each of these attendees is given a copy of our car show journal, showcasing the many local businesses, events, and supporters of the Company, as they like to support the folks who support our car show. This is your opportunity to get local exposure, show your support for your local fire department, and increase your visibility in the community. Please fill out this form and provide us with a business card or a copy of your ad, and we will make sure you are included in this year's journal. Thank you.
